Dental Practice Growth • Premium Performance Marketing Report

● VERIFIED ROI REPORT

90-Day Campaign Window | 2025

CLIENT

Bright Smile Dental Clinic

INDUSTRY

Cosmetic & Family Dentistry

LOCATION

Dallas, TX (3 locations)

AD SPEND

\$8,500 / month

THE CHALLENGE

Empty chairs & rising patient acquisition cost

- Cost per booked patient stuck at \$210+
- 70% of clicks were tire-kickers, not patients
- Phone calls untracked — zero attribution
- Generic landing page, 64% bounce rate
- Competing with 40+ local dental clinics
- No-show rate above 28% on consults
- Insurance-only searches drained budget

OUR STRATEGY

Intent-led search + dental-specific funnel

- SKAG account restructure (procedure-based)
- Mobile-first landing pages per service
- Call tracking + offline conversion import
- AI bidding with tCPA targeting new patients
- Geo-radius bidding (3-mile premium zone)
- Negative keyword sculpting — 620+ blocks
- Reactivation remarketing for past patients

CAMPAIGN ARCHITECTURE

Search

High-intent procedure terms (implants, veneers, invisalign)

Performance Max

Asset groups by service with dental imagery

Local

3-mile geo bidding
Google Maps placements

Remarketing

Past visitors + lookalike reactivation funnel

64% → 27%

High-value cases

12 → 7

No-show rate

28% → 9%

Quality Score avg

5.2 → 8

Our chairs are full and our front desk can finally breathe. We added 311 new patients in 90 days — the ROI is unreal. This is the team to work with.
